WILDCAT-CENTRE SCRAP TONIGHT

GEORGETOWN SWEEP OFF FEET BY WILDCATS

Hayden and Adkins Are
Luminating Dignitaries
in Spectacular Game

KING ALSO STARS

Hitting the old stride and displaying a system of teamwork which resembled an Aurora Borealis, for such was its dazzling appearance, Buchheit and Company completely swept Georgetown's men off their feet Tuesday night on their own floor for a record score of 56 to 11.

The game was fast and spectacular despite the fact that the Wildcat's opponents did not have a chance. They were unable to touch the basket for a tally until the Wildcats had hung up 26 points to their credit. For a while it looked as if the game was going to be a shut out.

Hayden looked like Lucifer while Adkins pulled off one of the polar lights stuff. King was a luminating dignitary also. Both Hayden and Adkins ran up their high point marks for the season, each making 20. King was next in line with 11. Ridgeway played good at guard and Smith also showed up well. Substitutions came frequently for Georgetown.

The line-up:

Kentucky (56) Pos. Georgetown (11)
Hayden (20).....F..... Adams (4)
King (11).....F..... Funk (1)
Adkins (20).....C..... Forwood (6)
Smith (2).....G..... Porter
Ridgeway (3).....G..... Jones

Substitutions: Kentucky—Poyntz for Adkins, Wilhelm for King. Georgetown: Watkins for Adams, Adams for Watkins, Watkins for Funk, Simpson for Adams, Johnson for Porter.

Referee, Pat Devereux.

MILITARY BALL TO BE MONDAY NIGHT

Men Requested to Wear Uniform in Their Branch of Service

The annual military ball, given by the cadet-officers of the University battalion, will take place in Buell Armory, Monday night, February 21, from 8 to 1 o'clock.

It has heretofore been the custom of those attending the military ball to wear any kind of uniform that was used in any branch of the service, but on this occasion the committee in charge has requested that the men wear only the uniforms that were used by them in the branch of the service in which they served. Men who were not in the service during the war and are now members of the cadet battalion are asked to wear the regulation uniform adopted by the War Department.

There will be ten no-breaks, the grand march coming at the time of the second no-break. Intermission

Are Downed by Score of 18
to 7 in a Good
Contest

BOYS' RULES FEATURE

The Kittens, putting up a stubborn fight, were defeated by the Kentucky Wesleyanettes, Tuesday night on the Gym floor by a score of 18 to 7.

The game was not overburdened with thrills or spectacular plays but it was good throughout. The stars of the contest were Harris and Conlee of Wesleyan and Henry and Cromwell of the Kittens. Harris and Conlee were shooting stars while Captain Henry and Cromwell took the part of meteors.

Fifteen minute halves and boys' rules were the features of the contest. The line-up:

Kentucky (7) Pos. Wesleyan (18)
Cromwell (2).....C..... Conlee (8)
Jamison.....F..... Harris (6)
Black (2).....F..... Tague (2)
Potter.....G..... Smith
Henry (2).....G..... Johnson (2)

Substitution, Kentucky, Young (1) for Jamison; Morris for Potter.

Messages From the Faculty Are Wanted

It is the desire of The Kernel to publish each issue, any messages which the members of the faculty may wish to convey to the student body. These should be about a paragraph in length and will be published in the order received as a regular feature of the paper.

If none are voluntarily sent in, faculty members will be invited to write them.

STROLLERS PLAN TRIP TO WESTERN KENTUCKY

Four Towns Will Be Visited
By University Dramatic
Club.

CAST CHOSEN SOON

If present plans materialize, "The Admirable Crichton," the play to be given by the Strollers the forthcoming spring, will be given in four towns of western Kentucky during the Easter vacation.

Herbert Graham, secretary of the Alumni Association of the University, and officers of the Strollers are in correspondence with theatre managers and University of Kentucky Alumni Clubs in Bowling Green, Madisonville, Henderson and Owensboro, making arrangements to give the Stroller play in those towns before it is given its initial showing at the Lexington Opera House. Arrangements have been completed for the presentation of the play in Pineville.

The cast for the play has not been definitely chosen, but a final announcement of the complete selection is expected in the near future.

TWENTY-ONE FACULTY MEN IN "WHO'S WHO"

President, Deans and Professors Listed
in Latest Issue of Book

Twenty-one members of the faculty of the University of Kentucky are listed in the current issue of "Who's Who in America" which has just been received at the Library. They are: F. P. Anderson, P. P. Boyd, T. P. Cooper, W. D. Funkhouser, Harrison Garman, E. S. Good, D. J. Healey, J. J. Hooper, W. T. Lafferty, F. L. McVey, A. M. Miller, J. T. C. Noe, C. J. Norwood, J. K. Patterson, W. K. Patterson, A. M. Peters, George Roberts, C. A. Shull, Glanville Terrel, J. J. Tigert and Edward Tuthill.

SENIORS, JUNIORS AND FRESHMEN ARE DEADLOCKED

The inter-class game scheduled for Tuesday afternoon between the Seniors and Sophomores was postponed until a later date. The Seniors, Juniors and Freshmen are deadlocked for first honors in the series. The Fresh meet the Juniors this afternoon to decide what aggregation will hold first position with the Seniors. The second year crew is at the bottom of the heap.

STATE SUPREMACY TO BE DECIDED IN GYM

Kentucky Has Advantage of
the Dope by Six
Points

HOT GAME EXPECTED

Centre and Kentucky will have a debate on the Gym floor tonight at 8 o'clock to decide the basketball supremacy of the State and, in all probability, the South.

The game last week at Danville, ended 29 to 27 in favor of the Colonels. The dope from the game with Georgetown now gives Kentucky six points advantage, but dope is dope and nothing more.

In the last contest the team was slow in getting started but in the second half it came near downing the "Wonder team" despite the large lead.

Lavin will probably not be in the mix-up because of his bad shoulder. The rest of the line-up will be the same.

Maver, Centre forward, will be watched closely and his record of twenty points in each game is likely to be cut somewhat. This game will be the last, except Vanderbilt, February 22, to be played here this season. Next week the Kentucky team starts on the Southern tour to the All-Southern meet, where it will match ability with the best teams in the South.

All the reserved seats for tonight's game have been sold and a record crowd for the year is expected.

The probable lineup:

Kentucky	Pos.	Centre
Hayden.....	F.....	Maver
King.....	F.....	McMillan
Atkins.....	C.....	Flippin
Smith.....	G.....	Roberts
Ridgeway.....	G.....	Walden

FACULTY DRIVE FOR MEMORIAL BUILDING

Campaign Expects Pledges of Two to Four Per Cent of Annual Salary

The campaign committee of the faculty will start Friday to canvass the members of the faculty and administrative staff for the Memorial Building. Pledges cancelled or reduced on the passage of the city of Lexington \$75,000 bond issue will be expected to be revived or increased.

Subscriptions from 151 members of the faculty to date total \$4,319.50. An effort will be made for the pledges to range from two to four per cent of the annual salary. This drive is aimed also to equalize faculty contributions.

Two per cent of the salaries of the faculty pledged would yield more than \$12,000 to the Memorial Building fund. The drive will close next Wednesday.

The student drive will be held at the close of the faculty campaign.

WRESTLING

The announcement that Kentucky will this year hold wrestling matches with Cincinnati and Miami has been received with much interest by students, alumni and faculty members who are interested in athletics. The Kernel is glad to see the University take this forward step by entering a competitive team in another branch of manly sport which is beginning to win recognition among Western and Southern universities, a recognition it has long enjoyed in Eastern colleges.

OUR DISTINGUISHED FACULTY

KEEP OFF THE GRASS

It behooves everyone of us, faculty and students alike, now that the campus is being sodded, to walk on the pavements and cinder paths, and give the grass a chance. If we are careful these first few weeks when the tender blades are just coming above the soil, we shall have a beautiful campus this Spring.

Washington's Birthday
To Be Observed Tuesday

Exercises in honor of Washington's birthday will be held in the University chapel Tuesday morning, February 22 at 10 o'clock. The invocation will be led by Dr. A. W. Fortune after which the audience will sing "America." Rabbi Joseph Rauch will deliver the address of the morning on the subject: "An Alliance of Americans for America."

Music will be directed by Professor Carl A. Lampert. The national hymn will be played by the University band and the Reverend Clay Lilly will give the benediction.

Many of us willingly subscribed during the heat of contest of the recent Y. M. C. A. campaign. A part of these pledges are now overdue and should be paid at once to allow the "Y" to efficiently carry on its work.

BOILER TEST IS MADE
BY SENIOR ENGINEERS

To Ascertain the Efficiency of Heating
and Power Plant

A boiler test to ascertain the efficiency of the heating and power plant of Mechanical Hall was made by the mechanical engineering Seniors on Monday. The Senior engineers are to design a new heating and power plant for the whole University and this test was made in order that they might get a line on the degree of efficiency needed in the new plant.

A clean grate was used, all coal was weighed and a chemical analysis of it made to learn the amount of heat it should produce. The ashes were also weighed and an analysis made. The temperature of the flue gas was taken and the feed water was measured to get the amount of steam generated. At intervals throughout the day, the temperature of the building was taken.

An announcement will soon be made of the results of the test.

DR. J. T. C. NOE TO
SPEAK THIS EVENING

Dr. Noe will deliver his famous lecture "The Great American Home" (which is The Old Kentucky Home) this evening at 5 p. m., Calvary Baptist Church, corner High street and Rodes avenue. Col. George W. Bain will introduce the speaker. Music by orchestra. "The Great American Home" was given 100 times on the Redpath Chautauqua circuit in 1920 and is scheduled for the Redpath New York-New England circuit for 1921. The press throughout the entire circuit last year proclaimed this as one of the best things of the entire Chautauqua. Dr. Noe, is both a humorist and a poet and it has been said that no other man since James Whitcomb Riley has shown such sympathetic insight into the human heart or has done more to glorify the common folk. In his interpretation of the American home he pictures its weakness and strength; its hopes and ambitions; its humor and pathos; its patriotism and religion.

It will be a great treat for Lexington to hear two of her famous sons: Col. George W. Bain and Doctor Cotton Noe.

Tickets can be had at Lexington Drug Co. and the University Book Store. Admission—children 25 cents, adults, 50 cents.

The University folk will be glad to honor this great teacher and speaker with their presence.—Advertisement.

INTERESTING TALK IN CHAPEL TUESDAY

President Hutchins of Berea College Speaks on Impressions of Japan

"American Christians are the World's only hope," was the subject of a very interesting talk made in chapel, Tuesday, by President William J. Hutchins of Berea College, who has recently been journeying in the Orient.

Mr. Hutchins spoke of his impressions of Japan, China and India; how Buddhism, Confucianism and Hinduism were, doing nothing to uplift or enlighten the people there.

"China and India are filled with graft and corruption. There is absolutely no hope unless it comes from America. These people idealize America, and the heroes of their schools are Washington and Lincoln. In China, the speeches of Woodrow Wilson have been translated into the Chinese language and widely circulated. The Chinese look upon him as a second Confucius. India considers America as her only friend. As America reforms and cleans up her cities, so the people of China and India reform and clean their cities. As Roosevelt said: 'We here in America hold in our hands the fate of the world and the hope of the coming years. The appeal is for us here in America to realize the ideal America which the Orient cherishes in us.'"

BETTER COME TO-DAY

In Selecting a University—

For a college education, there are five things to be taken into consideration:

1. The men at the head of the Institution.
2. The scholastic standing and ability of the Teaching Staff.
3. The location and advantages of environment.
4. Equipment, buildings, laboratories and libraries.
5. Cost.

In all these respects the University of Kentucky commends itself to those seeking a higher institution in which to carry on their education.

All Departments, including Liberal Arts, Sciences, Agriculture, Law, Education, Mining, Civil, Electrical and Mechanical Engineering.

The Government needs trained men and women; college training will bring the result.
